# THE BEST KEPT SECRET IN REVERSE LOGISTICS AND DISTRIBUTION OUTSOURCING

UNICOR

Services Business Group

**With more fulfillment work going outside the U.S.A., it might be time for you to team up with UNICOR/Federal Prison Industries**

We have over 20 years of experience with our distribution locations throughout the country providing:

- Direct mail service
- Order fulfillment
- Assembly and packaging
- Repackaging

UNICOR provides distribution and fulfillment services to government and commercial companies alike throughout the United States. We currently provide services in our Distribution Centers that include shoe distribution and sorting, bulk literature distribution, catalog and forms distribution and magazine fulfillment. Some of the government agencies we provide service to include the Thrift Savings Plan, The Federal Aviation Administration and The Immunization and Naturalization Service.

## **What We Can Offer:**

UNICOR has over 100 potential sites centrally located throughout the country that can warehouse your products and provide order fulfillment services customized to your needs, whether your project is a one-time mailing or an ongoing commitment.

### **Order Fulfillment/Packaging/Assembly/ Reverse Logistics**

- Mailing list data entry and maintenance
- USPS Standardization, Zip+4 and 11 digit bar codes
- Material inventory management
- Warehouse facilities for short or long term storage
- Collate and assemble a variety of products, simple or complex

### **Mail Preparation Services**
